

NeatTech is a lightweight, easy-to-install cable management system designed to keep cords and power strips off the floor, out of sight, and within reach. Its sleek basket—available in EcoKnit, leather, or mesh—securely stores cables while allowing easy access for adjustments. Compatible with most workstations, including sit/stand desks, NeatTech helps create a clutter-free, distraction-free workspace. Built for durability and sustainability, it supports up to 10 lbs. (4.5 kg) and enhances both functionality and aesthetics.

Warranty

5 Years, 24/7

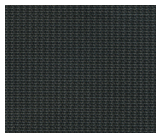

Features

- Comes in three sizes, making it compatible with nearly all tabletops
- Designed for quick installation
- Light-weight basket with its easy to access fold down design stores cables and power strips, keeping them off the floor and accessible
- Moves with your worksurface, seamlessly adjusting from sit to stand for uninterrupted transitions
- Easy access to your cables with fold down design
- Integrated edge reveal allows for quick and easy cable passthrough along the full length of the worksurface
- Crafted with high-quality materials and finishes for durable, long-lasting performance
- Choose from mesh, leather or EcoKnit options
- EcoKnit option is made from 100% post-consumer recycled polyester from upcycled plastic bottles using a zero-waste manufacturing process
 - Large = 34 upcycled PET bottles
 - Small = 28 upcycled PET bottles
 - Mini = 17 upcycled PET bottles
